
What is FACES?

FACES is a 501c3 non-profit association of Filipino-American Civic Employees of Seattle, their friends and supporters.

FACES is an inclusive organization that fosters understanding and collaboration among people of all backgrounds and experiences.

FACES gives voice and visibility to issues, and helps those in need.

FACES works with Filipino-American and mainstream communities, other people of color and allies to influence policies, programs, procedures and practices that affect our common interests.

FACES promotes cultural awareness and diversity to instill pride in Filipino-American heritage.

Reasons why YOU should join FACES

- Be involved and make a difference,
- Be in the know,
- Access training, networks, scholarships, resources for leadership/professional development and career management,
- Gain management and employee support,
- Co-advocate for the resolution of race, social and justice issues,
- Lead with other civic organizations on issues of common interest,
- Promote and enjoy arts and culture,
- Participate and have fun with Filipino Americans and others.
- Be inspired by the highly regarded annual FACES Conference
